Class History

We, as Seniors, pause to look back over the last four years that stand out as high lights in our lives.

On a September day 1948, thirty intelligent Freshmen entered high school. With Mr. Brown as our advisor, we had loads of fun giving a one act play, "Sis Of The Ozarks," as our assembly program. That year we had quite a few boys on the Junior High Team which brought home a second-place trophy.

At the beginning of our Sophomore year we found that we had only twenty-four members. That year we had seven boys on the varsity basketball team. The most important events of the year were our class parties with Mr. Maskas as our advisor.

As Juniors, we had quite a successful year under the guidance of Mr. Brewer. Two hundred and thirty-two dollars was netted on our record breaking paper drive. For assembly program we gave a mock trial. Later the class sold refreshments during basketball games. Our Junior play was presented May 4, under the direction of Mrs. Hoffman. The name of it was "Out Of This World." Needless to say, it was out of this world. For our Junior-Senior banquet we treated the class of '51 to a delicious chicken dinner at the Oberlin Inn. Afterwards we went to Cleveland to the Palace Theater. At the school fair we made more money than any other class. Another exciting event for all twenty-four of us was the purchasing of our class rings from the Balfour Company. But the joy of that day could not rival the thrill of wearing our rings for the first time!

After three hard years of slaving we are now SENIORS. Our class is composed of twenty-three members with Mr. Moore as advisor. Our Senior play, given November 9, was the "hit" of the year. The name of it was "Grandpa's Twin Sister," Mrs. Sybrandt directed the play. Being a comedy, it was enjoyed greatly by everyone. The crowd attending was the largest ever known to attend a play in Spencer High. On January 10, we had a fish fry, and from all reports the food must have been delicious. Financially, too, the project was a success. A very happy event this year was our trip to Akron to Peck's Studio to have our Senior pictures taken, then on to a movie at the Palace Theater. We have six boys on the varsity basketball team, and were very glad that they broke the scoring records. We had our second paper drive in the spring and made out real well. Another great event was the Junior-Senior banquet, made even greater by the fact that we were guests.

Our Baccalaureate service was May 25, with the Lutheran minister, Reverend A. W. Wilch, as speaker. Mr. E. C. Ramsey, news correspondent and world-wide traveler, gave our commencement address the evening of May 29.

With the money earned during our school years we are taking a trip to Washington.

Fourteen of the present members of the Senior Class started to school here in the first grade. They are: Betty Barrett, Miriam Clement, Joyce Colley, Gene Denslow, David Firestone, Kenneth Grieve, Bobbie Howe, Mary Lou Thompson, Kieth Walters. The other nine, coming from various places, joined our ranks one at a time.

We, the members of the Senior Class, wish to express our gratitude and appreciation to the faculty for helping us through our high school years. We all agree that our high school years have been the HAPPIEST and the most ENJOYABLE of our lives.

Class Will

We the class of '52, being of sound mind and body, will and bequeath the following characteristics to the people whom we feel will love and cherish them as much as we did.

I, Betty Barrett, do will and bequeath my shortness to a girl who should be thankful for it, Rita Jackson.

I, Harry Brinker, will my ability to make angel food cakes to Charles Dennison.

I, JoAnne Carr, will my moodiness to one of my best friends, Carol Williams.

I, Miriam Clement, will my natural wavy hair and ability to take care of it myself to one who can never fix her own, Mildred Sooy.

I, Paul Coe, will my car to one who needs it, Larry Rook.

I, Joyce Colley, will my quiet ways to one who needs them badly, Marla Knepper.

I, Alice Davenport, will my huge appetite to my dear cousin, Pat Croskey--one who could use it. Hope she enjoys it as much as I have.

I, Gene Denslow, will my ability to keep the bench warm to one who has a good start, Harold (Toad) Gott.

I, David Firestone, will my ability always to have my history lesson studied to one who could use it, Loren Worcester.

I, Shirley McVicker, will my small waistline to a friend in need, Mary Avery.

I, Ned Neenan, leave my speed and ability to make a lay up shot in basketball to one who I predict will become a great star, Joe Giar.

I, Carol Neidhardt, will my tendency always to be cutting my hair to Maude Brinker.

I, Ronald Packard, will my ability to get to school on time to Mr. Moore.

I, Frank Rice, will my speed on the football field to one who is already very fast, Jim (Steve) Dennison.

I, Jim Schaub, will my gift of talking my way out of jams to one who needs it, Danny Spies.

I, Mary Lou Thompson, will my temper and stubbornness to one who has me beat now, Naomi Thompson.

I, Kieth Walters, will my ability to keep time on the drums to Nancy Myers, who is trying hard to learn how.

To the Juniors, we leave our extraordinary class spirit and athletic ability which combined, have made us the successful class that we are.

To the Sophomores we leave our parties which are never planned before hand but always turn out to be very enjoyable.

To the Freshmen we leave our ability to start something at the last minute and still make it a success.

To the Faculty we leave the vacant seats which were once filled with the bright and smiling (?) faces of the Seniors.

Senior Class Prophecy

As I was making my daily rounds at the State Pencil Factory, 1957, I noticed a smoke screen at the end of the hall and from it emerged Mr. Moore with his brand new pipe. Inquiring about the other members of my class, he told me that Junior Rice is now a great track star. He broke the world's record for the mile run by doing it in three minutes (plus).

Jim Schaub--is now a playboy in Hollywood in a two-bit movie.

Gene Denslow--is now running a muscle-building gym in Spencer for the girls who cannot get a man.

David Firestone--who could not bear to leave school is now the principal at Spencer.

Ronald Packard--is a gangster in New York City who talks people out of their money. He is known as Louie the Lip.

Betty Barrett--is now one of the few women hot rod drivers.

Ken Greive--who always attended school regularly is now a truant officer.

Harry Brinker--is the owner of the largest farm in Medina County.

Shirley McVicker--who recently swam the English Channel, is planning to try the Pacific Ocean next.

Frances McCourt--has a job as judge in Medina handling all divorce cases. She also is a stand-in for the Marriage Counselor.

Kieth Walters--is now a traveling salesman specializing in baby products.

Joyce Colley--is a lady taxi driver.

Mary Lou Lowery--is posing for Lou Lou in the comic strip.

Mary Lou Thompson--is a tight rope walker in a circus.

Ruth Kari--is a lady auctioneer.

Ned Neenan--finally landed a job as a girls' physical education teacher.

Carol Neidhart--is a famous author of murder stories, her latest being "The Killer Who Wore Pink Shoestrings."

Alice Davenport--is now a war bride living in Germany in a concentration camp.

Bobbie Howe--is known as the most talkative senator in Washington.

JoAnne Carr--is called "Splinters" by everyone at the Palace.

Miriam Clement--has a medal for being the best woman wrestler in the business.

Paul Coe--is a State Highway Patrolman who goes around lecturing on fast and reckless driving.

Freshman Class History

The Freshman Class has neither lost nor gained any members this year.

Some of our boys were on the reserve basketball team and a few made varsity. Music, though, is the chief activity of the Freshmen.

We sold refreshments at the football games and as a result, we made quite a lot of money.

Our class advisor is Mr. Walrath. Our class officers are as follows: President, Rita Jackson; Vice-President, Pat Ripley; Secretary, Danny Spies; Treasurer, Marla Knepper; Board Of Control, Janet Leiby; News Reporter, Ronald Larkey.

Sophomore Class History

The class of '54 started on the long road to knowledge in the year of 1942 with twenty-one members. We have gained some and lost some. Our present class now consists of eighteen. Our only new class member this year is Mary Wilch.

We are proud to have had our class members take part in the school activities. Most of the boys are active in sports, and the whole class participates in music groups.

The biggest event of the year so far was the "sugar stir" and party held at Packard's Sugar Bush on March 21.

Class officers this year are: President, Donald Billman; Vice-President, Barbara Wolf; Secretary, Pat Gallatin; Treasurer, Carol Williams; Board Of Control, Karen Auble. Our advisor is Mrs. Alice Dawley.

Junior Class History

The Junior Class began the year by electing its class officers: Maude Brinker, President; Larry Rook, Vice-President; Phyllis Goehring, Treasurer; Jeannine Breyley, Secretary.

After electing the officers, the class began an active year by selling cider and doughnuts at football games. Stationery was next to be sold, and it added money to our meager treasury. We ordered our class rings. We were very pleased to receive our rings just before Christmas. We sold refreshments at the basketball games, and this turned out to be profitable to the class coffer.

We held a St. Patrick's Day dance on March 14, at the schoolhouse, and it was a success.

The Junior play, "If Mother Only Knew," was given on April 18, directed by Miss Cole. This was a new experience to the class, but turned out very well.

The Junior-Senior banquet was held the first of May and a gala group enjoyed a very nice dinner and entertainment. With this event we closed our school year, and are looking forward to another busy year as Seniors.

Football

The Spencer Redbirds finally broke into their first winning season by setting a record of four wins against two defeats.

The first game of the season was at North Royalton field against Hickley on September 28. The Redbirds came home with a 53-31 victory.

Next we met the League winner, Liverpool, and went down to a 32-16 defeat. Our loss was due to a first quarter spurt which netted them three touchdowns and two extra points.

On October 12, we journeyed to Abbeyville to play York, and lost our second game of the season, 36-40.

The following Thursday, October 18, Sullivan came to our "Dust Bowl" and we sent them home with a 38-26 setback--all Spencer reserves seeing action.

On Friday, October 26, we won our first league game by defeating Hinckley, 50-13, at Spencer.

And on Friday, November 2, the team and followers traveled again to Abbey Field to have our Homecoming game with York, the field being covered with about three inches of snow.

This was the first Homecoming a Spencer team has had, and our Homecoming Queen was Jeannine Breyley.

We were victorious, the score being 31-12, and so ended the season with a tie for second place in league play.

Varsity Basketball

The Spencer Redbirds ended their season with a seventeen win and a four loss record. In league play we won seven games and lost two. The losses were to Liverpool, 44-43; and to Granger-Sharon, 86-62.

The Redbirds lost only two other games in play this year. They were to Liverpool, 63-43; and to South Amherst, 40-36, which knocked us out of district play and a beautiful trophy. This year the record was set for total points in a game against Penfield, 92-62, for a total of 154. These records were set and broken about two or three times this season.

The Redbirds also set an offensive record by averaging 61.1 points per game. They scored 1284 points in twenty-one games.

So, the Redbirds ended the season by gaining a trophy as Tournament Co-Champs of the county. Three boys received honors for the season. They were Jim Schaub, all-county guard; Ken Grieve, all-county forward; and Paul Coe, honorable mention, center.

Drivers' Training

This year drivers' education was introduced into our school, with twenty-four Juniors and Seniors taking the course.

The car, which was appreciated by all the students, was furnished by Summer's Garage at Lodi. We shared the car and instructor, Mr. Nalepka, with York.

During the year, we studied parallel parking, serpentine steering, the mechanics of a car, as well as many other things.

At the end of the term, we were given tests by the State Patrolman, and the whole class passed with flying colors.

This course is one of lasting value, and it is hoped by all the students here that it can continue in following years.
